

# LANGUAGE, SPEECH, AND HEARING SERVICES IN SCHOOLS

## INDEX TO VOLUME 27, 1996

Author Index .....	393
Subject Index .....	394
Title Index .....	397

### AUTHOR INDEX

- Anderson, R. T. Assessing the grammar of Spanish-speaking children: A comparison of two procedures. Oct. 1996, 333-344.
- Andrews, M. L. Treatment of vocal hyperfunction in adolescents. July 1996, 251-256.
- Benson, P. V. *See* Berg et al., Jan. 1996, 16-20.
- Berg, F. S., Blair, J. C., & Benson, P. V. Classroom acoustics: The problem, impact, and solution. Jan. 1996, 16-20.
- Bernthal, J. E. *See* Feeney & Bernthal. Oct. 1996, 330-332.
- Blair, J. C. *See* Berg et al., Jan. 1996, 16-20.
- Brice, A. E., & Montgomery, J. Adolescent pragmatic skills: A comparison of Latino students in English as a second language and speech and language programs. Jan. 1996, 68-81.
- Brinton, B. *See* Fujiki et al., July 1996, 195-202.
- Canady, C. J., & Krantz, S. G. Reading and communication: A comparison of proficient and less-proficient fourth-grade readers' opinions. July 1996, 231-238.
- Cheng, L. L. Enhancing communication: Toward optimal language learning for limited English proficient students. Oct. 1996, 347-354.
- Chermak, G. D., Curtis, L., & Seikel, J. A. The effectiveness of an interactive hearing conservation program for elementary school children. Jan. 1996, 29-39.
- Curtis, L. *See* Chermak et al., Jan. 1996, 29-39.
- Dannhardt, M. *See* Harrison et al., July 1996, 203-214.
- Feeney, J., & Bernthal, J. E. The efficiency of the Revised Denver Developmental Screening Test as a language screening tool. Oct. 1996, 330-332.
- Fitch, L. *See* McRay & Fitch, Jan. 1996, 40-47.
- Fletcher, J. M. *See* Francis et al., April 1996, 132-143.
- Francis, D. J., Fletcher, J. M., Shaywitz, B. A., Shaywitz, S. E., & Rourke, B. P. Defining learning and language disabilities: Conceptual and psychometric issues with the use of IQ tests. April 1996, 132-143.
- Fujiki, M., Brinton, B., & Todd, C. M. Social skills of children with specific language impairment. July 1996, 195-202.
- Gierut, J. A., Morrisette, M. L., Hughes, M. T., & Rowland, S. Phonological treatment efficacy and developmental norms. July 1996, 215-230.
- Gillam, R. B. *See* McFadden & Gillam, Jan. 1996, 48-56.
- Glaze, L. E. Treatment of voice hyperfunction in the pre-adolescent. July 1996, 244-250.
- Goldstein, B. *See* Quinn et al. Oct. 1996, 345-346.
- Goldstein, B., & Iglesias, A. Phonological patterns in normally developing Spanish-speaking 3- and 4-year-olds of Puerto Rican descent. Jan. 1996, 82-90.
- Harris, H. F. Elective mutism: A tutorial. Jan. 1996, 10-15.
- Harrison, M., Dannhardt, M., & Roush, J. Families' perceptions of early intervention services for children with hearing loss. July 1996, 203-214.
- Harvey, G. L. Treatment of voice disorders in medically complex children. July 1996, 282-291.
- Hughes, M. T. *See* Gierut et al., July 1996, 215-230.

Stemple, J. C. Voice disorders: An introduction. July 1996, 239.

StevensDominguez, M. See Westby et al., April 1996, 144-156.

Stockman, I. J. The promises and pitfalls of language sample analysis as an assessment tool for linguistic minority children. Oct. 1996, 355-366.

Summers, P. A., Larson, G. W., Miguel, S. A., & Terrell, S. L. Test-Retest Comparisons using the CELF-RST and BLT-2S with kindergartners. Oct. 1996, 324-329.

Terrell, S. L. See Summers et al. Oct. 1996, 324-329.

Todd, C. M. See Fujiki et al., July 1996, 195-202.

Walker, M. See Hux et al., April 1996, 171-184.

Watkins, R. V. See Schneider & Watkins, April 1996, 157-170.

Westby, C., StevensDominguez, M., & Oetter, P. A performance/competence model of observational assessment. April 1996, 144-156.

Wiig, E. D. See Wiig et al., Jan. 1996, 21-28.

Wiig, E. H., Jones, S. S., & Wiig, E. D. Computer-based assessment of word knowledge in teens with learning disabilities. Jan. 1996, 21-28.

## SUBJECT INDEX

### HEARING

#### NATURE OF HEARING AND ITS DISORDERS

#### Effects of Noise and Issues in Hearing Conservation

- Classroom acoustics: The problem, impact, and solution. Berg, F. S., Blair, J. C., & Benson, P. V. Jan. 1996, 16-20.
- The effectiveness of an interactive hearing conservation program for elementary school children. Chermak, G. D., Curtis, L., & Seikel, J. A. Jan. 1996, 29-39.

## INTERVENTION

### Habilitation, Rehabilitation, and Education

- Classroom acoustics: The problem, impact, and solution. Berg, F. S., Blair, J. C., & Benson, P. V. Jan. 1996, 16-20.
- The effectiveness of an interactive hearing conservation program for elementary school children. Chermak, G. D., Curtis, L., & Seikel, J. A. Jan. 1996, 29-39.
- Families' perceptions of early intervention services for children with hearing loss. Harrison, M., Dannhardt, M., & Roush, J. July 1996, 203-214.
- A semantic analysis of signed communication in an activity-based classroom for preschool children who are deaf. Marvin, C., & Kasal, K. R. Jan. 1996, 57-67.

## LANGUAGE

### NATURE OF NORMAL LANGUAGE

#### Language Development

- Applying Vygotskian developmental theory to language intervention. Schneider, P., & Watkins, R. V. April 1996, 157-170.
- Children's comprehension of idioms in the context of humor. Spector, C. C. Oct. 1996, 307-313.
- The efficiency of the Revised Denver Developmental Screening Test as a language screening tool. Feeney, J., & Bernthal, J. E. Oct. 1996, 330-332.
- The promises and pitfalls of language sample analysis as an assessment tool for linguistic minority children. Stockman, I. J. Oct. 1996, 355-366.
- Serving Native American children and families: Considering cultural variables. Robinson-Zañartu, C. Oct. 1996, 373-384.

#### Language Use in Adults

- Serving Native American children and families: Considering cultural variables. Robinson-Zañartu, C. Oct. 1996, 373-384.

#### Language Differences and Different Languages

- Adolescent pragmatic skills: A comparison of Latino students in English as a second language and speech and

language programs. Brice, A. E., & Montgomery, J. Jan. 1996, 68-81.

Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An introduction. Quinn, R., Goldstein, B., & Peña, E. Oct. 1996, 345-346.

Dynamic assessment: The model, its relevance as a nonbiased approach, and its application to Latino American preschool children. Lidz, C. S., & Peña, E. D. Oct. 1996, 367-372.

Enhancing communication: Toward optimal language learning for limited English proficient students. Cheng, L. L. Oct. 1996, 347-354.

The promises and pitfalls of language sample analysis as an assessment tool for linguistic minority children. Stockman, I. J. Oct. 1996, 355-366.

Serving Native American children and families: Considering cultural variables. Robinson-Zaňartu, C. Oct. 1996, 373-384.

## LANGUAGE DISORDERS

### Language Disorders in Children

Adolescent pragmatic skills: A comparison of Latino students in English as a second language and speech and language programs. Brice, A. E., & Montgomery, J. Jan. 1996, 68-81.

Applying Vygotskian developmental theory to language intervention. Schneider, P., & Watkins, R. V. April 1996, 157-170.

Creating language impairments in typically achieving children: The pitfalls of "normal" normative sampling. McFadden, T. U. Jan. 1996, 3-9.

Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An introduction. Quinn, R., Goldstein, B., & Peña, E. Oct. 1996, 345-346.

Defining learning and language disabilities: Conceptual and psychometric issues with the use of IQ tests. Francis, D. J., Fletcher, J. M., Shaywitz, B. A., Shaywitz, S. E., & Rourke, B. P. April 1996, 132-143.

Dynamic assessment: The model, its relevance as a nonbiased approach, and its application to Latino American preschool children. Lidz, C. S., & Peña, E. D. Oct. 1996, 367-372.

An examination of the quality of narratives produced by children with

language disorders. McFadden, T. U., & Gillam, R. B. Jan. 1996, 48-56.

Reading and communication: A comparison of proficient and less-proficient fourth-grade readers' opinions. Canady, C. J., & Krantz, S. G. July 1996, 231-238.

A semantic analysis of signed communication in an activity-based classroom for preschool children who are deaf. Marvin, C., & Kasal, K. R. Jan. 1996, 57-67.

Social skills of children with specific language impairment. Fujiki, M., Brinton, B., & Todd, C. M. July 1996, 195-202.

Sotos syndrome. Shuey, E. M., & Jamison, K. Jan. 1996, 91-93.

Test-Retest Comparisons using the CELF-RST and BLT-2S with kindergartners. Summers, P. A., Larson, G. W., Miguel, S. A., & Terrell, S. L. Oct. 1996, 324-329.

## Reading Abilities

Reading and communication: A comparison of proficient and less-proficient fourth-grade readers' opinions. Canady, C. J., & Krantz, S. G. July 1996, 231-238.

## Learning Disabilities

Defining learning and language disabilities: Conceptual and psychometric issues with the use of IQ tests. Francis, D. J., Fletcher, J. M., Shaywitz, B. A., Shaywitz, S. E., & Rourke, B. P. April 1996, 132-143.

### Language Disorders in Personality and Psychiatric Disturbances

Elective mutism: A tutorial. Harris, H. F. Jan. 1996, 10-15.

Social skills of children with specific language impairment. Fujiki, M., Brinton, B., & Todd, C. M. July 1996, 195-202.

## ASSESSMENT AND INTERVENTION

### Screening

Adolescent pragmatic skills: A comparison of Latino students in English as a second language and speech and language programs. Brice, A. E., & Montgomery, J. Jan. 1996, 68-81.

Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An introduction.

Quinn, R., Goldstein, B., & Peña, E. Oct. 1996, 345-346.

The efficiency of the Revised Denver Developmental Screening Test as a language screening tool. Feeney, J., & Bernthal, J. E. Oct. 1996, 330-332.

The promises and pitfalls of language sample analysis as an assessment tool for linguistic minority children. Stockman, I. J. Oct. 1996, 355-366.

Test-Retest Comparisons using the CELF-RST and BLT-2S with kindergartners. Summers, P. A., Larson, G. W., Miguel, S. A., & Terrell, S. L. Oct. 1996, 324-329.

## Assessment

Adolescent pragmatic skills: A comparison of Latino students in English as a second language and speech and language programs. Brice, A. E., & Montgomery, J. Jan. 1996, 68-81.

Applying Vygotskian developmental theory to language intervention. Schneider, P., & Watkins, R. V. April 1996, 157-170.

Assessing the grammar of Spanish-speaking children: A comparison of two procedures. Anderson, R. T. Oct. 1996, 333-344.

By their tests we will know them. Sabers, D. L. April 1996, 102-108.

Computer-based assessment of word knowledge in teens with learning disabilities. Wiig, E. H., Jones, S. S., & Wiig, E. D. Jan. 1996, 21-28.

Creating language impairments in typically achieving children: The pitfalls of "normal" normative sampling. McFadden, T. U. Jan. 1996, 3-9.

Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An epilogue. Kayser, H. Oct. 1996, 385-387.

Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An introduction. Quinn, R., Goldstein, B., & Peña, E. Oct. 1996, 345-346.

Defining learning and language disabilities: Conceptual and psychometric issues with the use of IQ tests. Francis, D. J., Fletcher, J. M., Shaywitz, B. A., Shaywitz, S. E., & Rourke, B. P. April 1996, 132-143.

Dynamic assessment: The model, its relevance as a nonbiased approach, and its application to Latino American preschool children. Lidz, C. S., & Peña, E. D. Oct. 1996, 367-372.

An examination of the quality of narratives produced by children with language disorders. McFadden, T. U., & Gillam, R. B. Jan. 1996, 48-56.

Familiar strangers: Criterion-referenced measures in communication disorders. McCauley, R. J. April 1996, 122-131.

Observing and interpreting behaviors: An introduction to the clinical forum. Plante, E. April 1996, 99-101.

A performance/competence model of observational assessment. Westby, C., StevensDominguez, M., & Oetter, P. April 1996, 144-156.

The promises and pitfalls of language sample analysis as an assessment tool for linguistic minority children. Stockman, I. J. Oct. 1996, 355-366.

What to look for in the technical manual: Twenty questions for users. Hutchinson, T. A. April 1996, 109-121.

## **Intervention**

Applying Vygotskian developmental theory to language intervention. Schneider, P., & Watkins, R. V. April 1996, 157-170.

A semantic analysis of signed communication in an activity-based classroom for preschool children who are deaf. Marvin, C., & Kasal, K. R. Jan. 1996, 57-67.

Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An epilogue. Kayser, H. Oct. 1996, 385-387.

Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An introduction. Quinn, R., Goldstein, B., & Peña, E. Oct. 1996, 345-346.

Serving Native American children and families: Considering cultural variables. Robinson-Zañartu, C. Oct. 1996, 373-384.

## **Nonspeech Communications Systems**

A semantic analysis of signed communication in an activity-based classroom for preschool children who are deaf. Marvin, C., & Kasal, K. R. Jan. 1996, 57-67.

## **Computer-Based**

Computer-based assessment of word knowledge in teens with learning disabilities. Wiig, E. H., Jones, S. S., & Wiig, E. D. Jan. 1996, 21-28.

## **Ecosystems Assessment**

Serving Native American children and families: Considering cultural variables. Robinson-Zañartu, C. Oct. 1996, 373-384.

## **SPEECH**

### **NATURE OF NORMAL SPEECH**

#### **Development of Speech and Voice**

The efficiency of the Revised Denver Developmental Screening Test as a language screening tool. Feeney, J., & Bernthal, J. E. Oct. 1996, 330-332.

Phonological patterns in normally developing Spanish-speaking 3- and 4-year-olds of Puerto Rican descent. Goldstein, B., & Iglesias, A. Jan. 1996, 82-90.

#### **Perception of Speech**

Classroom acoustics: The problem, impact, and solution. Berg, F. S., Blair, J. C., & Benson, P. V. Jan. 1996, 16-20.

### **SPEECH AND VOICE DISORDERS**

#### **Articulation and Resonance Disorders**

The efficiency of the Revised Denver Developmental Screening Test as a language screening tool. Feeney, J., & Bernthal, J. E. Oct. 1996, 330-332.

Evaluation and treatment of resonance disorders. Kummer, A. W., & Lee, L. July 1996, 271-281.

Phonological/traditional approaches to articulation therapy: A retrospective group comparison. Klein, E. S. Oct. 1996, 314-323.

Phonological treatment efficacy and developmental norms. Gierut, J. A., Morrisette, M. L., Hughes, M. T., & Rowland, S. July 1996, 215-230.

The promises and pitfalls of language sample analysis as an assessment tool for linguistic minority children. Stockman, I. J. Oct. 1996, 355-366.

Voice disorders: An introduction. Stemple, J. C. July 1996, 239.

#### **Craniofacial and Other Anomalies**

Evaluation and treatment of resonance disorders. Kummer, A. W., & Lee, L. July 1996, 271-281.

Sotos syndrome. Shuey, E. M., & Jamison, K. Jan. 1996, 91-93.

Voice disorders: An introduction. Stemple, J. C. July 1996, 239.

## **Physiologically Based Speech Disorders**

Evaluation and treatment of resonance disorders. Kummer, A. W., & Lee, L. July 1996, 271-281.

## **Speech and Voice Disorders in Personality and Psychiatric Disturbances**

Elective mutism: A tutorial. Harris, H. F. Jan. 1996, 10-15.

Management of functional voice disorders in adolescents. Peppard, R. C. July 1996, 257-270.

Treatment of vocal hyperfunction in adolescents. Andrews, M. L. July 1996, 251-256.

Voice disorders: An introduction. Stemple, J. C. July 1996, 239.

## **Voice and Other Laryngeal Disorders**

Clinical evaluation and treatment of vocal disorders. Kereiakes, T. J. July 1996, 240-243.

Management of functional voice disorders in adolescents. Peppard, R. C. July 1996, 257-270.

Treatment of vocal hyperfunction in adolescents. Andrews, M. L. July 1996, 251-256.

Treatment of voice disorders in medically complex children. Harvey, G. L. July 1996, 282-291.

Treatment of voice hyperfunction in the pre-adolescent. Glaze, L. E. July 1996, 244-250.

Voice disorders: An introduction. Stemple, J. C. July 1996, 239.

### **ASSESSMENT AND INTERVENTION**

#### **Screening**

Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An introduction. Quinn, R., Goldstein, B., & Peña, E. Oct. 1996, 345-346.

The efficiency of the Revised Denver Developmental Screening Test as a language screening tool. Feeney, J., & Bernthal, J. E. Oct. 1996, 330-332.

Evaluation and treatment of resonance disorders. Kummer, A. W., & Lee, L. July 1996, 271-281.

The promises and pitfalls of language sample analysis as an assessment tool for linguistic minority children. Stockman, I. J. Oct. 1996, 355-366.

## Assessment

Clinical evaluation and treatment of vocal disorders. Kereiakes, T. J. July 1996, 240-243.

Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An introduction. Quinn, R., Goldstein, B., & Peña, E. Oct. 1996, 345-346.

Dynamic assessment: The model, its relevance as a nonbiased approach, and its application to Latino American preschool children. Lidz, C. S., & Peña, E. D. Oct. 1996, 367-372.

Evaluation and treatment of resonance disorders. Kummer, A. W., & Lee, L. July 1996, 271-281.

Familiar strangers: Criterion-referenced measures in communication disorders. McCauley, R. J. April 1996, 122-131.

Management of functional voice disorders in adolescents. Peppard, R. C. July 1996, 257-270.

The promises and pitfalls of language sample analysis as an assessment tool for linguistic minority children. Stockman, I. J. Oct. 1996, 355-366.

Some practical considerations when evaluating the exceptional adolescent singing voice. Jamison, W. July 1996, 292-300.

Treatment of vocal hyperfunction in adolescents. Andrews, M. L. July 1996, 251-256.

Treatment of voice disorders in medically complex children. Harvey, G. L. July 1996, 282-291.

Treatment of voice hyperfunction in the pre-adolescent. Glaze, L. E. July 1996, 244-250.

What to look for in the technical manual: Twenty questions for users. Hutchinson, T. A. April 1996, 109-121.

## Acoustic Measures of Speech and Voice

Treatment of voice disorders in medically complex children. Harvey, G. L. July 1996, 282-291.

Treatment of voice hyperfunction in the pre-adolescent. Glaze, L. E. July 1996, 244-250.

## Intervention

Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An introduction. Quinn, R., Goldstein, B., & Peña, E. Oct. 1996, 345-346.

Evaluation and treatment of resonance disorders. Kummer, A. W., & Lee, L. July 1996, 271-281.

Management of functional voice disorders in adolescents. Peppard, R. C. July 1996, 257-270.

Phonological treatment efficacy and developmental norms. Gierut, J. A., Morrisette, M. L., Hughes, M. T., & Rowland, S. July 1996, 215-230.

Treatment of vocal hyperfunction in adolescents. Andrews, M. L. July 1996, 251-256.

Treatment of voice disorders in medically complex children. Harvey, G. L. July 1996, 282-291.

Treatment of voice hyperfunction in the pre-adolescent. Glaze, L. E. July 1996, 244-250.

## Instrumentation for Diagnosis, Treatment, and Research

Dynamic assessment: The model, its relevance as a nonbiased approach, and its application to Latino American preschool children. Lidz, C. S., & Peña, E. D. Oct. 1996, 367-372.

Evaluation and treatment of resonance disorders. Kummer, A. W., & Lee, L. July 1996, 271-281.

A survey of computer use by public school speech-language pathologists. McRay, B., & Fitch, L. Jan. 1996, 40-47.

Treatment of voice hyperfunction in the pre-adolescent. Glaze, L. E. July 1996, 244-250.

## PROFESSIONAL AND GENERAL SCIENTIFIC ISSUES

### PROFESSIONAL AFFAIRS

### Service Provision Models and Problems

Classroom acoustics: The problem, impact, and solution. Berg, F. S., Blair, J. C., & Benson, P. V. Jan. 1996, 16-20.

Cultural/linguistic variation in the United States and its implications for assess-

ment and intervention in speech-language pathology: An epilogue. Kayser, H. Oct. 1996, 385-387.

Dynamic assessment: The model, its relevance as a nonbiased approach, and its application to Latino American preschool children. Lidz, C. S., & Peña, E. D. Oct. 1996, 367-372.

Serving Native American children and families: Considering cultural variables. Robinson-Zafartu, C. Oct. 1996, 373-384.

A survey of computer use by public school speech-language pathologists. McRay, B., & Fitch, L. Jan. 1996, 40-47.

## Research Issues and Methodology

What to look for in the technical manual: Twenty questions for users. Hutchinson, T. A. April 1996, 109-121.

## Interdisciplinary Concerns

A performance/competence model of observational assessment. Westby, C., StevensDominguez, M., & Oetter, P. April 1996, 144-156.

## PROFESSIONAL TRAINING

### Education and Continuing Education

The promises and pitfalls of language sample analysis as an assessment tool for linguistic minority children. Stockman, I. J. Oct. 1996, 355-366.

Traumatic brain injury: Knowledge and self-perceptions of school speech-language pathologists. Hux, K., Walker, M., & Sanger, D. D. April 1996, 171-184.

## Professional Knowledge of Cognitive-Communication Deficits

Traumatic brain injury: Knowledge and self-perceptions of school speech-language pathologists. Hux, K., Walker, M., & Sanger, D. D. April 1996, 171-184.

## TITLE INDEX

Adolescent pragmatic skills: A comparison of Latino students in English as a second language and speech and language programs. Brice, A. E., & Montgomery, J. Jan. 1996, 68-81.

Applying Vygotskian developmental theory to language intervention. Schneider, P., & Watkins, R. V. April 1996, 157-170.

- Assessing the grammar of Spanish-speaking children: A comparison of two procedures. Anderson, R. T. Oct. 1996, 333-344.
- By their tests we will know them. Sabers, D. L. April 1996, 102-108.
- Children's comprehension of idioms in the context of humor. Spector, C. C. Oct. 1996, 307-313.
- Classroom acoustics: The problem, impact, and solution. Berg, F. S., Blair, J. C., & Benson, P. V. Jan. 1996, 16-20.
- Clinical evaluation and treatment of vocal disorders. Kereiakes, T. J. July 1996, 240-243.
- Computer-based assessment of word knowledge in teens with learning disabilities. Wiig, E. H., Jones, S. S., & Wiig, E. D. Jan. 1996, 21-28.
- Creating language impairments in typically achieving children: The pitfalls of "normal" normative sampling. McFadden, T. U. Jan. 1996, 3-9.
- Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An epilogue. Kayser, H. Oct. 1996, 385-387.
- Cultural/linguistic variation in the United States and its implications for assessment and intervention in speech-language pathology: An introduction. Quinn, R., Goldstein, B., & Peña, E. Oct. 1996, 345-346.
- Defining learning and language disabilities: Conceptual and psychometric issues with the use of IQ tests. Francis, D. J., Fletcher, J. M., Shaywitz, B. A., Shaywitz, S. E., & Rourke, B. P. April 1996, 132-143.
- Dynamic assessment: The model, its relevance as a nonbiased approach, and its application to Latino American preschool children. Lidz, C. S., & Peña, E. D. Oct. 1996, 367-372.
- The effectiveness of an interactive hearing conservation program for elementary school children. Chermak, G. D., Curtis, L., & Seikel, J. A. Jan. 1996, 29-39.
- The efficiency of the Revised Denver Developmental Screening Test as a language screening tool. Feeney, J., & Bernthal, J. E. Oct. 1996, 330-332.
- Elective mutism: A tutorial. Harris, H. F. Jan. 1996, 10-15.
- Enhancing communication: Toward optimal language learning for limited English proficient students. Cheng, L. L. Oct. 1996, 347-354.
- Evaluation and treatment of resonance disorders. Kummer, A. W., & Lee, L. July 1996, 271-281.
- An examination of the quality of narratives produced by children with language disorders. McFadden, T. U., & Gillam, R. B. Jan. 1996, 48-56.
- Familiar strangers: Criterion-referenced measures in communication disorders. McCauley, R. J. April 1996, 122-131.
- Families' perceptions of early intervention services for children with hearing loss. Harrison, M., Dannhardt, M., & Roush, J. July 1996, 203-214.
- Management of functional voice disorders in adolescents. Peppard, R. C. July 1996, 257-270.
- Observing and interpreting behaviors: An introduction to the clinical forum. Plante, E. April 1996, 99-101.
- A performance/competence model of observational assessment. Westby, C., StevensDominguez, M., & Oetter, P. April 1996, 144-156.
- Phonological patterns in normally developing Spanish-speaking 3- and 4-year-olds of Puerto Rican descent. Goldstein, B., & Iglesias, A. Jan. 1996, 82-90.
- Phonological/traditional approaches to articulation therapy: A retrospective group comparison. Klein, E. S. Oct. 1996, 314-323.
- Phonological treatment efficacy and developmental norms. Gierut, J. A., Morrisette, M. L., Hughes, M. T., & Rowland, S. July 1996, 215-230.
- The promises and pitfalls of language sample analysis as an assessment tool for linguistic minority children. Stockman, I. J. Oct. 1996, 355-366.
- Reading and communication: A comparison of proficient and less-proficient fourth-grade readers' opinions. Canady, C. J., & Krantz, S. G. July 1996, 231-238.
- A semantic analysis of signed communication in an activity-based classroom for preschool children who are deaf. Marvin, C., & Kasal, K. R. Jan. 1996, 57-67.
- Serving Native American children and families: Considering cultural variables. Robinson-Zañartu, C. Oct. 1996, 373-384.
- Social skills of children with specific language impairment. Fujiki, M., Brinton, B., & Todd, C. M. July 1996, 195-202.
- Some practical considerations when evaluating the exceptional adolescent singing voice. Jamison, W. July 1996, 292-300.
- Sotos syndrome. Shuey, E. M., & Jamison, K. Jan. 1996, 91-93.
- A survey of computer use by public school speech-language pathologists. McRay, B., & Fitch, L. Jan. 1996, 40-47.
- Test-Retest Comparisons using the CELF-RST and BLT-2S with kindergartners. Summers, P. A., Larsen, G. W., Miguel, S. A., & Terrell, S. L. Oct. 1996, 324-329.
- Traumatic brain injury: Knowledge and self-perceptions of school speech-language pathologists. Hux, K., Walker, M., & Sanger, D. D. April 1996, 171-184.
- Treatment of vocal hyperfunction in adolescents. Andrews, M. L. July 1996, 251-256.
- Treatment of voice disorders in medically complex children. Harvey, G. L. July 1996, 282-291.
- Treatment of voice hyperfunction in the pre-adolescent. Glaze, L. E. July 1996, 244-250.
- Voice disorders: An introduction. Stemple, J. C. July 1996, 239.
- What to look for in the technical manual: Twenty questions for users. Hutchinson, T. A. April 1996, 109-121.
